#### Buy to let multi property portfolio range

Available to new or existing customers submitting two or more properties at the same time on one application

Submitting Multi Property buy to let portfolios on one application is ideal for landlords who want the convenience of managing their portfolio on one mortgage account:

- · One application for up to 30 properties can be keyed online via the Specialist buy to let portal
- · One review date on product rate maturity
- · One affordability stress test across the portfolio
- · One account number and annual statement
- · One monthly payment and Direct Debit collection

#### **Application information**

- · All property completion dates need to be aligned for the same day
- Properties can be released from the portfolio subject to any applicable early repayment charges, although the portfolio will require re-weighting to ensure the original loan to value, interest cover ratio, and any loan covenants continue to be met (please note properties cannot be added or substituted following completion)
- · Multi property applications cannot mix purchase and remortgage transactions on one account

Income and affordability								
Personal income	Evidence of personal income is not routinely requested if the rental income alone is sufficient to meet the higher income cover ratio (ICR) based on the high rate tax thresholds. (Excluding first time landlords).							
Affordability	Aldermore uses an affordability calculation to assess the maximum available loan using the income and expenditure for the applicant(s).  Please refer to our online affordability calculator							
General requirements	Minimum Interest Cover Ratio (ICR) affordability is based on:							
	(i) Gross rental income; or							
	(ii) Gross rental income to the lower cover limits, plus surplus personal income to top up to the higher limits							
Minimum income	£25,000 for first time landlords	£25,000 for first time landlords
