

# Tariff of Mortgage Charges

Aldermore is closely involved in the mortgage industry's initiative with the Council of Mortgage Lenders and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages.

When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.

Name of charge	What this charge is for	How much is the charge?
----------------	-------------------------	-------------------------

## Before your first monthly payment

These are the fees and charges you may have to pay before we transfer your mortgage funds

<b>Application fee</b>	Assessing and processing your application (even if your application is unsuccessful or you withdraw it).	£199	
<b>Funds transfer fee</b>	Electronically transferring the mortgage funds to you or your solicitor.	£30	
<b>Legal fee</b>	You will normally instruct a solicitor to act on your behalf in connection with your home purchase transaction. You may be required to pay their legal fees and costs as part of their work on your behalf. These fees/costs are normally charged by the solicitor, directly to you unless we tell you that we will contribute to the legal costs as part of your product deal.	These fees/costs are charged by the solicitor, directly to you.	
<b>Product fee</b>	This is charged on some mortgages as part of the deal. It can be paid up-front or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	£999	
<b>Re-inspection fee</b>	If your mortgage is released in stages and you're using it to renovate your home, this covers the new valuation we need to do after the work's carried out.  At Aldermore a re-valuation may be required where the valuation expires and needs to be updated and similarly where additional borrowing is applied for post completion.	£90	
<b>Valuation fee</b>	The lender's valuation report, which is used to calculate how much it will lend you. This is separate from any valuation or survey of the property you might want to commission.  There are other homebuyers or structural survey options available to you at a cost and there may be different approaches in different parts of the UK.  Some mortgages offer free valuations – the product details for your mortgage will tell you if this is the case.	<b>Property Value</b>

**If you are unable to pay your mortgage**

These are the most common charges you may have to pay if you fail to keep up with your mortgage payments. Some charges, for example those covering unpaid/returned direct debits or cheques, occur at the early stages of your inability to pay (arrears). Other charges, for example, relating to our repossession of the property, may apply later in the process and will be dependent on your circumstances.

<b>Unpaid/returned direct debit or cheque</b>	Payable when your nominated bank rejects a direct debit collection or your payment by cheque is returned unpaid by your bank.	£20
<b>Arrears fee</b>	You may be charged an arrears fee on a monthly basis, or when specific events happen in the management of your account when you are in arrears.  This covers charges in respect of your account if you fall behind with your payments.	£35
<b>Ground rent or service charge arrears fee</b>	If you have leasehold property and we need to manage outstanding rent or service charges. If the ground rent or services remain unpaid we may decide to pay them and debit the mortgage account.	£45

**Ending your mortgage term**

<b>Early repayment charge (ending your mortgage)</b>	You may be charged this if you repay your mortgage in full before the mortgage term ends.	Min – 2% Max – 5%
<b>Mortgage exit fee</b>	You may have to pay this if: <ul style="list-style-type: none"> <li>Your mortgage term comes to an end;</li> <li>You transfer the loan to another lender; or</li> <li>Transfer borrowing from one property to another.</li> </ul> This is payable either at the end of the mortgage term, or before the end of your mortgage term if you transfer the loan to another lender or another property (known as 'redemption'). You may be charged a separate fee by your solicitor or licensed or qualified conveyancer for their work relating to redemption of the mortgage and discharge of the security.	£90
