## Summary Box

Account Name	9 Month Fixed Rate Account		
What is the interest rate?	Gross Annual Interest	Gross Monthly Interest	AER*
	4.25%	4.17%	4.25%
Interest is calculated daily, and paid monthly or at maturity. You can choose to have your interest paid to your Fixed Rate Account, any other Personal Savings account you hold with us that allows deposits, or your nominated UK bank or building society account.			
Can Aldermore change the interest rate?	No, the interest rate is fixed and will not change for the term. We guarantee to pay the interest rates shown provided a deposit is paid into the account within 14 calendar days of the account being opened. If the interest rates have increased by the time the first deposit is received, you'll automatically receive the higher rate.
