Representative Example:

A mortgage of £118,000 payable over 18 years, initially on a fixed rate for 2 years at 2.78% and then on our current variable rate of 5.23% for the remaining 16 years, would require 24 monthly payments of £694.95 followed by 192 payments of £828.43

The total amount payable would be £175,737.75 made up of the loan amount plus interest (£57,737.75).

The overall cost for comparison is 4.8% APRC representative.

The Benefits of staying with us:
