

# Asset inspection report

This inspection is to confirm the location of the asset, and that it is in the United Kingdom ready for immediate use by the customer, subject to final delivery (if it has not already taken place). This inspection confirms that the condition of the asset matches the condition of the equipment as it was proposed, and as stated on the supplier's invoice.

## Instruction request

Please use **BLOCK CAPITALS**

Requested by:	Date of instruction:
Proposal/Agreement number:	Customer name:
Contact name and telephone number:	
Address of site where equipment inspected:	Address of site where equipment to be sited (if different from inspected):

Difficulties Aldermore may face in repossessing equipment:

## Equipment details and checklist

Please use **BLOCK CAPITALS**

Manufacturer	Model	Yr of manufacture	Serial number/s

Serial number plate/s in order (any tampering)  Was equipment working

### Attach the following photographs to demonstrate equipment's condition

Serial number plate/VIN/Registration plate  Hours/Impressions/Miles etc  Front, sides and back  Interior

Extra images that show equipment is: New/Used/Refurb

NOTE: Incomplete or insufficient photographs that do not clearly show the condition of the asset or the serial numbers may require that further photographs are obtained. This may cause delays in the processing of this Asset inspection report.

## Any additional comments for Aldermore to note

**Declaration:** I confirm that I have seen the equipment and that it is in the United Kingdom, and that it is immediately available for use by the customer, subject to delivery. The above statements are a true reflection of the condition of the equipment.
